2022 Summer Explorers Grade K-8

Come Explore With Us!
July 4 to July 21, 2022

The Summer Explorer's Mission

Your mission is to document and **ObSeRvE** the world around you as if you have never seen it before. **BE** **CURIOUS**. Take notes, collect things you find. **CREATE** new things.

Document your **FINDings**. Notice patterns. Copy. Trace. **LEARN** how to solve problems. **EXPRess** yourself. Focus on one thing at a time. Make new **FRIENDships**. Conquer your fears. Achieve your **GoALs**. Share your **KNOWledge**. Move your **bOdy**. Don't give up. Learn **DIVERSITY**. Smile.

Be YourSelf!

Summer Explorers are open to all students in our Abbotsford Elementary and Middle Schools

Learning Opportunities for All Students

The Abbotsford School District is increasing learning opportunities available for our K-8 students this year in our Summer Explorers Program.

Student well-being and skill-building is the foundation for this 3-week, inquiry-based exploration program. Each program will consist of focused literacy, or numeracy, instruction and provide students with a meaningful deep learning experience around a big idea from the provincial curriculum.

Daily physical activity and Indigenous Principles of Learning will be woven into each learning community.

As a culmination of the Summer Explorer's Program, each school site will provide parents the opportunity to take part in a celebration or demonstration of learning.
